

TRC STARS Enhanced Plan Requirements: Listed below are the *essential* elements of your Personalized Health and Wellness Planner that must be satisfied in order to qualify for a healthcare premium discount and for continued participation in TRC STARS Enhanced HEALTHCARE PLAN.

**2023 PREVENTIVE HEALTHCARE GUIDELINES & AGREEMENT
SHOOTING STARS (I)/ALL STARS (II)**

1. Participation in annual Biometric Screenings.
2. Share Biometric Screening results with Doctor.
3. Complete an annual physical by end of plan year.
4. Complete an annual dental visit by end of plan year (this includes individuals who are edentulous).
5. Meet with a STARS Health Coach to develop, implement, and monitor progress on employee driven Personalized Health and Wellness Planner. Minimum number of visits indicated in plan.
6. Earn a minimum of 300 points tracked in your Wellness Passport. **(Note: This is required to be eligible for and/or remain an All Stars (II)).**

I understand and agree to meet the above requirements in 2023 in order to be eligible for the healthcare premium discount in 2024. I have also been encouraged by my Health Coach to share my biometric results with my physician.
